

# MOHAMMED RASHID

Web Designer

## About Me

A motivated and self-driven individual pursuing a B.Tech in Computer Science, seeking a part-time position to apply and enhance skills in website development. With a keen interest in coding and web design, I aim to leverage my proficiency in HTML, CSS, and WordPress to contribute effectively to website creation and design projects. Eager to gain practical experience in a professional setting and deliver timely, high-quality solutions..
